

BODYBIO

Liposomal Glutathione

Powerful antioxidant support, straight to your cells

60 Capsules

Glutathione is the body's most powerful antioxidant, essential for detoxification, immune defense, and cellular protection.*

BodyBio Liposomal Glutathione uses advanced liposomal delivery to help protect glutathione through digestion so it can be better absorbed by the body.* By supporting antioxidant defenses at the cellular level, it helps promote energy, immunity, and overall wellness.*

KEY BENEFITS

Powerful antioxidant*

Supports detox pathways*

Protects brain health*

Supports immune function*

Promotes energy production*

SUGGESTED USE

Take 1 capsule daily with or without food.

Use consistently to support detoxification and immune health.

For personalized support, consult your healthcare practitioner.

If pregnant or nursing, consult your healthcare provider.

WHAT TO EXPECT

0-2 WEEKS

Liposomal Glutathione begins supporting antioxidant activity and detox pathways at the cellular level.* Some people notice improved energy or mental clarity.*

2-4 WEEKS

As glutathione levels are supported, many people report feeling clearer, more resilient, and better able to handle daily stressors.* Immune and detox systems continue to strengthen.*

4+ WEEKS

With continued use, Liposomal Glutathione helps maintain long-term cellular protection and daily detox.* This can support sustained energy, immune resilience, and overall vitality.*
