

BODYBIO

Liposomal Vitamin C

The vitamin C your cells crave

60 Capsules

Vitamin C is essential for immune defense, collagen production, and antioxidant protection—but many forms are poorly absorbed.

BodyBio Liposomal Vitamin C uses liposomal delivery to help protect this essential nutrient through digestion for better uptake at the cellular level.* This highly bioavailable form supports daily immunity, energy production, skin health, and whole-body wellness.*

KEY BENEFITS

Supports
balanced
immunity*

Powerful
antioxidant
support*

Promotes
collagen
production*

Supports
cellular energy*

Gentle
on digestion*

SUGGESTED USE

Take 2 capsules daily with or without food.

Use consistently to support clearer skin and immune health.

For personalized support, or if you are pregnant or nursing, consult your healthcare provider.

WHAT TO EXPECT

0-2 WEEKS

Liposomal Vitamin C begins supporting antioxidant activity and immune function at the cellular level. Some people notice improved energy or reduced feelings of physical stress.*

2-4 WEEKS

With continued use, immune resilience strengthens. Many people report better recovery from daily stress, improved skin appearance, and more consistent energy.*

4+ WEEKS

Long-term use helps maintain healthy immune function, collagen production, and cellular protection.* This supports overall vitality, healthy aging, and resilience to stress.*
