Resolvin

Omega-3s + SPMs,
delivered to your cells

60 Softgels

Inflammation is a normal part of healing—but problems arise when it doesn't turn off.* BodyBio Resolvin is a specialized omega-3 + SPM formula designed to support the body's natural inflammation-resolution process.* It delivers targeted nutrients that help signal the body to calm inflammation, repair tissue, and restore balance—without suppressing the immune response.*

SUGGESTED USE

Take 2 softgels daily with food, or as directed by your healthcare practitioner.

Use consistently for ongoing inflammation support, or cycle on and off alongside BodyBio Balance Oil for balanced EFA intake.

If pregnant or nursing, consult your healthcare provider.

WHAT TO EXPECT

0-2 WEEKS

Resolvin begins supporting the body’s natural signaling pathways that help calm active inflammation.* Some people notice improved joint comfort or recovery from daily physical stress.*

2-4 WEEKS

As inflammation-resolution pathways regulate, many people experience improved mobility, reduced stiffness, and better overall vitality.*

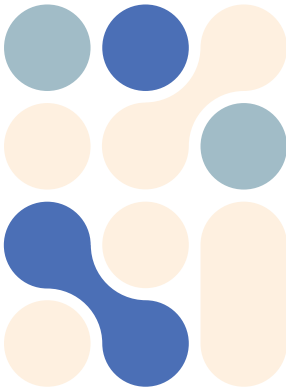

4+ WEEKS

With continued use, Resolvin helps maintain healthy inflammatory balance.* This supports long-term joint health, brain function, cardiovascular health, and overall resilience.*
