

BODYBIO

TUDCA

Support digestion
and detox naturally

60 Capsules

BodyBio TUDCA provides a bile acid your body naturally uses to digest fats and support liver health.* Bile plays a critical role in digestion, detoxification, and cellular energy—yet many people don't produce enough.*

By supporting healthy bile flow, TUDCA helps promote smoother digestion, liver resilience, and even brain benefits.*

KEY BENEFITS

Supports
liver detox*

Aids fat
digestion*

Promotes
bile flow*

Supports
cellular energy*

Protects
brain health*

SUGGESTED USE

Take 1-2 capsules daily with food.

Use consistently to support digestion and liver health.

For personalized support, consult your healthcare practitioner.

If pregnant or nursing, consult your healthcare provider.

WHAT TO EXPECT

0-2 WEEKS

TUDCA begins supporting bile flow, which helps the body digest fats more efficiently and reduces strain on the liver.* Some people notice improved digestion or less bloating.*

2-4 WEEKS

As bile flow improves, many people experience smoother digestion, clearer skin, and improved energy as detoxification pathways function more efficiently.*

4+ WEEKS

With continued use, TUDCA helps support long-term liver health, steady digestion, and cellular health—contributing to overall vitality and well-being.*
